

Publication

- Leiomyosarcoma of the Inferior Vena Cava- Radical Resection, Vascular Reconstruction, and Challenges: A Case Report and Review of Relevant Literature. *World Journal of Onc.* Apr 2013 4 (2); 107-113.
- A Prospective Evaluation of the Value of Intensive Pre-Visit counseling in Patients with Neuroendocrine Tumors (NETS). *American Surgeon.* Jan 2012 78(1): E43-4.
- Appendiceal Sequestration of Elemental Mercury as a Cause of Appendicitis. *American Surgeon.* Jun 2011 77(6): 795-6
- Neuroendocrine Tumors: Current Recommendations for Diagnosis and Surgical Management. *Endocrinology and Metabolism Clinics of North America.* March 2011 40 (1): 205-231.
- Pancreas. Book Chapter *Pocket Surgery* 2011
- A Prospective Trial on the Effect of Body Mass Index and Sex on Plasma Octreotide Levels in Patients Undergoing Long-Term Octreotide LAR Therapy. *Pancreas* Oct 2010 39 (7): 964-966.
- Development of a Highly Sensitive and Specific Carboxy-Terminal Human Pancreastatin Assay to Monitor Neuroendocrine Tumor Behavior. *Pancreas* July 2010 39 (5): 611-616.
- Lymphatic mapping helps define resection margins in midgut carcinoids. *Surgery* Dec 2009 146 (6): 993-997.
- Distal Pancreatectomy: what is the standard for laparoscopic surgery? *HPB Journal* May 2009 11 (3): 210-4.
- Staging Laparoscopy for Cholangiocarcinoma. *HPB Journal* Feb 2008 10:116-119.
- POSSUM Accurately Predicts Morbidity for Pancreatic Resection. *Surgery* Jan 2008 143 (1): 8-19
- Cardiac Electrophysiologic Abnormalities in the CREB_{A133} Transgenic Mouse Model of Idiopathic Dilated Cardiomyopathy. *Journal of Cardiovascular Electrophysiology* September 2003: p982-989
- Mouse Adenovirus Expression in Primary Human Endothelial Cells and Generation of a Full Length Infectious Plasmid. *Gene Therapy* 1999. 6: p1291- 97
- Thoughts on Internship. Tufts University Medical School Online Newsletter. 2003

Presentations

- Metastatic Malignant Thymoma To The Abdomen: A SEER Database Review And Assessment Of Treatment Strategies. *Academic Surgical Congress SUS/AAS Annual Meeting.* Feb 2012
- Pancreatic Cancer: Search for the Holy Grail. Invited Lecture. *Connecticut Chapter of the Gastroenterology Nurses Association.* Nov 2011.
- Management Algorithm for Hepatic Angiomyolipoma. *American Hepato-Pancreato-Biliary Association Meeting.* March 2011
- Management Algorithm for Hepatic Angiomyolipoma. *Connecticut Chapter of the American College of Surgeons.* Nov 2010
- Multidisciplinary Nutritional Support Program for Patients with Aerodigestive Malignancy Undergoing Radiation Therapy. *Connecticut Chapter of the American College of Surgeons.* Nov 2010
- The Changing World of Pancreatic Cancer. Invited Lecture. *Connecticut Chapter of the Gastroenterology Nurses Association.* May 2010
- Development of a Highly Sensitive and Specific Carboxy-terminal Human Pancreastatin Assay to Monitor Neuroendocrine Tumor Behavior. NANETS Oct 2009.
- A Prospective Trial on the Effect of Body Mass Index and Sex on Plasma Octreotide Levels in Patients Undergoing Long-term Octreotide LAR Therapy. NANETS Oct 2009.
- Extensive Retroperitoneal Carcinoid Involving the Mesenteric Vasculature does not Preclude Effective Cytoreduction. NANETS Oct 2009.
- Lymphatic mapping helps define resection margins for midgut carcinoids. NANETS 2009.
- Initial Evaluation of Patients with NETS: A prospective Evaluation of the Influence of Intensive Pre-visit Counseling. NANETS Oct 2009.
- Lymphatic mapping helps define resection margins for midgut carcinoids. *American Association of Endocrine Surgeons.* May 2009.
- Small Bowel Gastrointestinal Stromal Tumor (GIST) Diagnosed by Single Balloon Enteroscopy: A Case Report. The American College of Gastroenterology Regional Conference. March 2009. New Orleans LA.

Neuroendocrine Tumors-An Overview. Invited Presentation. American College of Gastroenterology Regional Conference. March 2009.

Staging Laparoscopy for Cholangiocarcinoma. *Consensus Conference on Cholangiocarcinoma EHPBA* Brussels Nov 2007

Actively managing length of stay: Edinburgh Postoperative Management Program. *Scottish National Executive Planned Care Improvement Conference*. Glasgow UK 2007

Developing a structured approach to postoperative management. Edinburgh Postoperative Recovery Program. *Scottish HPB Annual Network Meeting*. Dundee UK 2007

The Twelve Year Experience with Distal Pancreatectomy. *Association of Surgeons of Great Britain and Ireland*. Oral Presentation 2007

Possum Accurately Predicts Morbidity for Pancreatic Resective Surgery. *Society for Surgery on the Alimentary Tract Meeting*. Oral Presentation 2007.

Is There Still a Role for Open Cholecystectomy? Keynote Address *APHPB Association Meeting* March 2007

Possum Accurately Predicts Morbidity for Pancreatic Resective Surgery. *International Hepato-Pancreato-Biliary Association Meeting* Poster Presentation 2006.

Cardiac Electrophysiologic Abnormalities in a Mouse Model of Idiopathic Dilated Cardiomyopathy. *American Heart Association Annual Meeting*. Oral Presentation 2001

Age Related Changes in AV Conduction in Connexin-40 Deficient Mice. *American College of Cardiology Annual Meeting*. Oral Presentation 2001

In Vivo Monophasic Action Potential Recording in Mouse heart and its Relation to the Ventricular Effective Refractory Period with and without Pharmacologic Intervention. *NASPE* Presentation 2000

The Cloning, Genetic Manipulation, and Efficient Propagation of Mouse Adenovirus for Development into an Alternative System for Gene Therapy. *DNA Science Meeting Abstract* 1998

The Use of Activated Factor VII in Patients with Severe Sepsis. Grand Rounds Presentation Jan 2005

Pre-Operative Risk Stratification in Surgical Patients. Grand Rounds Presentation March 2006

The Lost Art of Open Cholecystectomy. Grand Rounds Presentation August 2007

Honors

American Board of Surgery Certified- #54796 11/2009

ATLS Certified- 546707 7/2017

Diversity and Inclusion Task Force Member- SSAT

Membership committee-Association of Academic Surgeons 2012-2014

Indian Course Task Force Member of the Association for Academic Surgery

Global Affairs Committee Member of the Association for Academic Surgery 2010-2012

Institutional Representative for the Society for Surgery of the Alimentary Tract 2012

Instructor for University of Edinburgh MSc in Surgical Sciences Course 2009-present

Institutional Review Board Member- St Vincents Medical Center

Cancer Liaison Physician for St Vincents Medical Center

Member-Robotics Governance Committee and EMR Selection Committee St Vincents Medical Center

Reviewer for HPB Journal, Cancer Journal, Pancreas, and the Journal of Surgical Research

Co-investigator for multiple IRB approved studies

University of Edinburgh School of Medicine Surgical Teaching Award

Harvard Medical School Housestaff and Fellows Teaching Award for medical student education

Fundamentals of Laparoscopic Skills Certification

CITI certification

Associations

American College of Surgeons-Fellow

Association of Academic Surgeons Elected Member 2009

Society for Surgery of the Alimentary Tract

Society of Surgical Oncologists

International HPB Member

American HPB Member

Mentorship

Medical Students:
